Meeting called to order at 2:00 PM

Agenda:

Introductions from Tammy Aagard, new Committee Chair

Update on current and proposed projects from Dave Gruber

Update on SIS Modernization from Dave Gruber

Additional items to prioritize from the group

Action Items:

Dave goes through the UFIT projects from Enterprise Systems detailing support of: teaching, students, research, business, and core projects.

Dr. Aagard makes note of the SAR expediting the admissions process. Admissions decisions are being integrated into the cloud to minimize system overload during decision release.

The group stresses the importance of the committee being able to balance the "urgent items" with their strategic priorities in the next fiscal year.
