

Research Computing Advisory Committee Agenda
Main Seminar Room, NPB 2205
Spring 2013 – 1:30 – 2:30 p.m.

New Physics Building located at the corner of Museum Rd and Gale Lemerand Drive. The rule for the schedule is to have RCAC meet every first Monday of the month, and the subcommittees meet every third Monday.

The subcommittees (HPC, DLC, and CTS) may be scheduled to have extra meetings if the need arises.

Detailed agenda and preparatory materials will be sent out in advance of each meeting.

Jan 7 RCAC	- Internet2 Innovation Platform network architecture
Feb 4 RCAC	- Research computing services: definition and marketing
Mar 4 RCAC	- HPC report: <ul style="list-style-type: none"> o UF Data Center, o Internet2 Innovation Platform - Discussion on support infrastructure for clinical trials - Tour of UF Data Center
Apr 1 RCAC	- HPC report: <ul style="list-style-type: none"> o BullGator supercomputer installation o Research Computing Day May 2nd o Matching program 2013 - Research Computing project management
May 6 RCAC	- Annual review of UF Research Computing
Jun 3 RCAC	- Architecture of HPC system for restricted data (PHI, HIPPPAA, etc.)
Jul 1 RCAC	-
Aug 5 RCAC	- Report on project management implementation
