

How to add an external RSS feed in UF e-Learning

Open Announcements

• In Course Navigation, click the Announcements link.

Add External Feed

• To add a feed from another website or blog (via Tumblr, Blogger, and/or Wordpress) to the Announcement stream, in the sidebar, click the Add External Feed link.

Search title, body, or author	Unread	۳	+ Announcement	Add External Feed

Enter Feed URL

• Paste the feed URL into the feed URL field. All new entries from that RSS feed will be added to Announcements.

Add External Feed
Add a New Feed
You can automatically add posts from an RSS or Atom feed as announcements for this course. Just paste the feed URL below and any new entries will be added.

View External Feeds

 Now that you have added the RSS feed, it will show up under the external feeds [1]. If you want to delete the external feed, click the Remove icon [2].

Note: You will have to wait until a new post is published on the external RSS feed before you can see it on the Announcement feed.
